Dear Martin:

It has always been a deep concern of mine that there has not been enough communication between S.C.L.C. and SNCC. We will never build the beloved community if we cannot build it within the movement. As we face the troubled days ahead, I hope that SNCC and S.C.L.C. will work more closely than ever before.

I look forward to seeing you at the board meeting in Washington on April 16, and hope that we will have an opportunity to speak together.

Sincerely yours,

John Lewis
